UNITED STATES INTERNATIONAL UNIVERSITY

United States International University was established to emphasize areas of human concern and leadership where people work with people — such areas as Human Behavior, Education, Law, Business, International Relations and the full program of the Arts and Sciences.

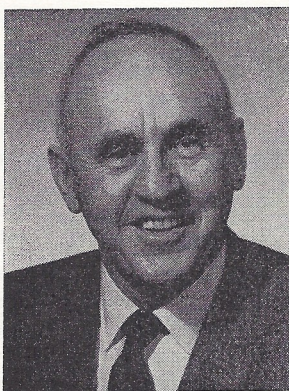

Since the early days of the University it was planned to expand the institution into a multi-campus international university. This approach was chosen in order to enable the University to grow without destroying one of its major objectives, that of offering undergraduate education on campus areas with a small enrollment so that the student is able to feel a part of a real campus life.

ORGANIZATION

The University includes two undergraduate Colleges of Arts and Sciences, the Graduate School of Business Administration, the School of Law, the Graduate School of Leadership and Human Behavior, the Graduate School of Arts and Sciences, the School of Performing Arts, the Center for Urban and Human Development, and the Institute for Educational Management.

The University has five campuses — three in San Diego, one in Steamboat Springs, Colorado, and one in Buckinghamshire, England. The First College of Arts and Sciences and the School of Law are located on the original campus on Point Loma, the California Western Campus. The downtown Center for the Performing Arts includes Central Administration and the School of Performing Arts. The Elliott Campus includes the Second College of Arts and Sciences and all the graduate programs except the School of Law and the Master in Fine Arts. The Colorado Alpine Campus in Steamboat Springs, Colorado, is the site of the University's Intensive Study Program. U.S. International University in England, 24 miles from London, is the first of a number of projected "university centers abroad."

United States International University is private and independent and is a California non-profit corporation.

DR. NORRIS A. PATTERSON
Director of Athletics

Dr. Norris A. Patterson joined USIU last spring as Director of Athletics and Physical Education after a coaching career of 22 years, including 18 years at William Jewell College in Liberty, Missouri.

At William Jewell Dr. Patterson handled the dual positions of head football coach and Director of Physical Education.

His lifetime coaching record shows an impressive 166 games won, 37 lost and 10 tied for a percentage of .833. His teams won 11 conference championships, he had 7 runnerup teams, tied in two bowl appearances and never experienced a losing season.

In 1968, his last year at William Jewell, his team went undefeated in 10 straight games.

Dr. Patterson is a member of the executive committee, Division of Men's Athletics of the American Association of Health, Physical Education and Recreation, and a member of the Joint Committee of NCAA, College Physical Education Association and American Association of Health and Physical Education. He was elected to the NAIA Football Hall of Fame in 1968.

He has a number of publications to his credit, including "Group Dynamics in Coaching Football," "Are Little Leaguers Too Big for their Britches?," "Five Rules for Selecting Players," and "Financial Aid for Student-Athletes in the Non-Subsidized Program."

He received his B.A. from Missouri Valley College in 1939, M.A. from the U. of Missouri at Kansas City in 1950, and Ed.D. from Columbia University in 1958.

THE USIU STAFF

MARV BRADEN
Head Football Coach

Marv Braden, who coached the past two seasons at Northeast Missouri State College in Kirksville, Missouri, is a newcomer to California football and is the third head coach in USIU's 12 years of competing in the gridiron sport.

He had a 9-9 record for two years at Northeast Missouri State College, despite the fact that during his tenure there he had only 11 seniors.

Prior to his head coaching position Braden served an apprenticeship that included assistant posts at the University of Missouri, Lafayette College in Easton, Pa., and Parsons College in Iowa.

He is a native of Kansas City, Mo., where he starred in football, basketball, baseball and track for Westport High School. He played three years of football for Southwest Missouri State College and received his B.S. in Education from that school. He received his Masters Degree in Education from the University of Missouri in Columbia, Mo.

Braden, 32, sees his position with USIU as a real challenge and he plans to use the Pro Slot-I offense.

LEW ERBER

Lew Erber returns to San Diego, where he served on the coaching staffs of St. Augustine High School (1959-62) and Grossmont Junior College (1962-65) early in his career.

Last season he was head coach at Imperial Valley Junior College, a position he took after one year with Wichita State U. and another season with Iowa State U.

He is a native of New Jersey and graduated from Englewood High School, where he played football, basketball and track. Dee Speakes is in his seventh year with USIU as equipment manager. He handles the ordering, issuing and upkeep of equipment for all sports at the University, including physical education classes and such sports teams as football, cross country, basketball, baseball, golf, track and tennis.

PROSPECTUS

Wayne Holm, who caused USIU so much trouble last year, is back again to direct the destiny of the Clansmen who are looking forward to a successful season. He is one of 26 lettermen returning to Coach Lorne Davies.

Some of the newcomers expected to replace 11 graduated seniors are Burnell Coleman, a transfer from Grays Harbor JC, who is a speedy runner; Glen Langford, of Calgary; Jim Alway of Haneym, B.C.; Mike Stabena of Vancouver, Washington and David Semple of Richmond, B.C.

University of Puget Sound 1968 Record: Won 8, Lost 2

CONFERENCE: NCAA Independent
STADIUM: Baker Stadium
HEAD COACH: Bob Ryan
RECORD AT UPS: Won 19, Lost 15, Tied 3
RETURNING LETTERMEN: 31
SPORTS INFORMATION: Doug McArthur

PROSPECTUS

With 31 lettermen returning, including every starting lineman on both the offensive and defensive units, Coach Bob Ryan has high hopes of equaling the 8-2 record of last year or doing better.

He has two talented quarterbacks returning in Bob Botley and Bob Cason, who combined for 20 touchdown passes and 1742 yards plus Dan Thurston, who led the Northwest last season with 60 catches, 992 yards and 11 touchdowns.

UNIVERSITY OF REDLANDS 1968 record: Won 5, Lost 5

NICKNAME: Bulldogs
COLORS: Maroon and Gray
ENROLLMENT: 1,500

LOCATION: Redlands, Calif.
CONFERENCE: SCIAC
STADIUM: Redlands Stadium, 6,700
HEAD COACH: Frank Serrao
RECORD AT UR: Won 26, Lost 23
RETURNING LETTERMEN: 28
SPORTS INFORMATION: Ron Kibby

PROSPECTUS

Optimism is the word at Redlands where Coach Frank Serrao has 28 returning lettermen including fullback Rick Dischinger and linebacker Dan Higson, both all conference choices in 1968.

Rob Selway and Art Hale are experienced quarterbacks, and Hank Cochran and Steve Johnson are a pair of receivers who earned letters. Improvement in both offense and defense is expected.

HIRAM SCOTT COLLEGE

1968 record: Won 5, Lost 3

NICKNAME: Scotts
COLORS: Blue, white and gold
ENROLLMENT: 1,500
LOCATION: Scottsdale, Nebraska
CONFERENCE: Independent
STADIUM: Bearcat Stadium
HEAD COACH: Dick Beechner
RECORD AT HSC: 15-8
RETURNING LETTERMEN: 23

PROSPECTUS

In their fourth year of collegiate football the Hiram Scott gridders will face the toughest schedule in the school's history.

Coach Dick Beechner has 23 lettermen but he is having trouble finding replacements for Bill Startzer, starting tackle last year and Rich Johnson, fullback.

"There will have to be a great effort by all squad members if we are to come close to our 5-3 record of a year ago," Coach Beechner said.

WHITTIER COLLEGE

1968 record: Won 5, lost 4

NICKNAME: Poets
COLORS: Purple and Gold
ENROLLMENT: 2,000
LOCATION: Whittier, Calif.
CONFERENCE: SCIAC
STADIUM: Whittier Stadium
HEAD COACH: John Godfrey
RECORD AT WC: 56-27-3
RETURNING LETTERMEN: 22
SPORTS INFORMATION: John Strey

PROSPECTUS

Coach John Godfrey, starting his tenth season as Whittier coach, looks for his offense that scored 178 points in 1968 to be about the same, but he feels the

defense should be much improved over the group that allowed opponents to score 195 points.

John Mele, a two-year letterman at quarterback, is back to direct the offense that will include Lionel Pointer at fullback and Steve Colflesh at split end. Greg Sherrill, 225-pound senior, will provide key blocks in the offensive line.

LA VERNE COLLEGE

1968 record: Won 7, Lost 2

NICKNAME: Leopards

COLORS: Dark Green and Orange

ENROLLMENT: 700

LOCATION: LaVerne, Calif.

CONFERENCE: NAIA Independent

STADIUM: LaVerne Stadium

HEAD COACH and ATHLETIC DIRECTOR:

Roland L. Ortmayer

RETURNING LETTERMEN: 18

PROSPECTUS

Last year LaVerne had a 7-2 record and Coach Roland Ortmayer is predicting about the same thing for this year, despite a tougher schedule.

Some of the reasons for his optimism are Mike Daniels, Fred Long and Jack Maloof, a trio of pass receivers who each received NAIA recognition a year ago. Ray Chun will anchor the solid defensive line that includes Steve Sheller and Jesse Cruz, a pair of ends and Rich Martinez, linebacker.

WASHINGTON UNIVERSITY (St. Louis)

1968 record: Won 2, Lost 8

NICKNAME: Battling Bears

COLORS: Red and Green

ENROLLMENT: 3,600

LOCATION: St. Louis, Missouri

CONFERENCE: College Athletic Conference

STADIUM: Francis Field (7,500)

HEAD COACH: Richard D. (Dick) Martin

RECORD AT WU: Won 2, Lost 8

RETURNING LETTERMEN: 24

SPORTS INFORMATION: Dick Kuchen

PROSPECTUS

The 1969 Battling Bears will be trying to bounce back from last year's frustrating 2-8 season. Last fall's problems were centered around lack of depth, as the Bears could muster only a limited squad.

Only six lettermen graduated, however, and the returnees will be joined by 30 blue chip freshmen plus Steve Morgan, one of WU's all-time great tailbacks, who returns after sitting out one season to heal an injured ankle.

The Bears should sport a formidable ground attack with a redesigned aerial game.

CALIFORNIA LUTHERAN COLLEGE

1968 record: Won 9, Lost 1

NICKNAME: Kingsmen
COLORS: Purple and Gold
ENROLLMENT: 1,200
LOCATION: Thousand Oaks
CONFERENCE: NAIA Independent
STADIUM: Mt. Clef Stadium
HEAD COACH: Robert F. Shoup
RECORD AT CLC: Won 46, Lost 18
RETURNING LETTERMEN: 23
SPORTS INFORMATION: John Dilkes

PROSPECTUS

For Cal Lutheran to repeat its 9-1 record and No. 9 national ranking of last year Coach Bob Shoup says the team must get some real help from 22 sophomores who composed the frosh team that had a 7-0 record in 1968.

Shoup feels he has enough fine talent for another winning team but without the benefit of spring practice the team will start slowly. Joe Stouch (190) and Ron Schommer (180) are strong running backs and Al Jones (205) and transfer Rick Scott (200) are a pair of capable quarterbacks.

UNIVERSITY OF CALIFORNIA at RIVERSIDE

1968 record: Won 6, Lost 2, Tied 1

NICKNAME: Highlanders
COLORS: Blue and Yellow
ENROLLMENT: 5,000
LOCATION: Riverside, Calif.
CONFERENCE: NCAA Independent
STADIUM: College (2,500)
HEAD COACH: Pete Kettela
RETURNING LETTERMEN, 25

PROSPECTUS

UC Riverside will be a much improved team this year but will face tough sailing in order to duplicate the 6-2-1 record of a year ago. A strengthened schedule is giving Coach Pete Kettela concern.

A trio of backs that led the attack last year should help alleviate some concern. They are Ty Hooks, who led the club in rushing with 640 yards, Fred Morawcznski, a 430-yard gainer at fullback and Steve Farmer, who amassed 400 yards.

COAST GUARD ACADEMY

1968 record: Won 3, Lost 7

NICKNAME: Cadets
COLORS: Blue and White
ENROLLMENT: 850
LOCATION: New London, Conn.
CONFERENCE: NCAA, ECAC
STADIUM: Jones Field
HEAD COACH: Tad Schroeder
RECORD AT CGA: Won 3, Lost 7
RETURNING LETTERMEN: 35
SPORTS INFORMATION: Jack Cruise

PROSPECTUS

A second year coach who is familiar with personnel and coaching staff should get Coast Guard Academy off on the plus side this year. What's more, Coach Tad Schroeder will be starting with 35 lettermen, compared to about 15 a year ago.

The sophomores and juniors of a year ago have matured into juniors and seniors with one and two years of varsity competition behind them. They should be ready for a much better effort.

The opposition is expected to be tougher, but it had better be. The Cadets plan to come to play this year.

CROSS COUNTRY

DR. JAMES G. CRAKES
Cross Country Coach

With four lettermen back from last year's team that had a 2-3 record, Dr. James G. Crakes is looking forward to more success this year, as he starts his third term as head coach of the cross-country team.

Dr. Crakes, who also is head coach of track for USIU, came to San Diego from Cal State, Los Angeles where he coached cross country for eight years.

He is a native of Eugene, Ore., and earned a B.S. in Physical Education at the University of Oregon. In 1954 he was awarded a Certificate in Physical Therapy by New York University and two years later he added an M.A. from the University of Oregon. In 1960 the same school awarded him a Ph.D. Both degrees were in Physical Education.

Kent Andersson and Jim Peabody, who both toured Europe last summer with the USIU track team, are expected to be big pointmakers this season.

Dr. Crakes expects help from Andy Dunstan and Juan Valdez, a pair of returning lettermen, along with several junior college transfers and incoming freshmen.

Among the newcomers expected to provide help are: Dan Ungritch, from Grossmont College; O. J. Romo, recent standout at San Diego City College; Daryl Simmons, a Helix High School product who had a best mile time of 4:19.8; Tim Oliver, from South Torrance High School who ran the mile in 4:24; Daniel Swehosky of Taft High School in San Fernando Valley and Gary Webber of Tustin High School in Santa Ana.

Additional depth to bolster the squad is expected from Greg Williams, and Pete Connally, who were 440 and 880 runners on the USIU track team the past two years.

Members of the squad are: Kent Andersson, James Peabody, Andy Dunstan, Juan Valdez, Greg Williams, Daryl Simmons, Gary Webber, Daniel Swehosky, James Oliver, Gary Trumbo, Charles Marshall, O. J. Romo and Daniel Ungritch.
